|------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| *I have informed the patient this is a suspected cancer referral                                                                                                 | <input type="checkbox"/> |
| *I have emphasised to the patient the importance of being available over next 14 days for an urgent appointment                                                  | <input type="checkbox"/> |
| *I have given or sent the patient a copy of the 'Urgent Referral Patient Information Leaflet'                                                                    | <input type="checkbox"/> |
| *My patient is aware they will be offered the first available appointment at any of our hospitals (Queen Elizabeth, Heartlands, Solihull or Good Hope Hospital). | <input type="checkbox"/> |
