☐ I confirm that I have discussed the possibility that the diagnosis may be cancer and they may wish to take a family member or significant other to the initial appointment.

☐ I confirm that I have requested FBC, U+E, LFT and GFR (& INR if jaundices or liver lesions)

☐ I confirm that the patient is available to attend outpatients within the next 14 days

If patient is not available for the next 2 weeks, and aware of nature of referral, consider deferring the referral and seeing the patient again to reassess symptoms
