- ☐ 3 Confined to bed/chair for greater than 50%
- ☐ 4 Confined to bed/chair 100%

Name: Full Name NHS No: NHS Number

☐ I confirm that I have discussed the possibility that the diagnosis may be cancer and they may wish to take a family member or significant other to the initial appointment.

☐ I confirm that I have requested FBC U+E, LFT and GFR

☐ I confirm that the patient is available to attend outpatients within the next 14 days

If patient is not available for the next 2 weeks, and aware of nature of referral, consider deferring the referral and seeing the patient again to reassess symptoms

NG131 Age specific PSA Referral Range				
Age	40-49 years	50-59 years	60-69 years	70-79 years
	>2.5	>3.5	>4.5	>6.5
