

Staffordshire and Stoke-on-Trent Formulary

DECLINE TO PRESCRIBE FORM

The GP or appropriate primary care prescriber should complete this form if they are unable to assume the responsibility of prescribing a medicine recommended by a hospital specialist.

Patient Name	Full Name	Date of Birth	Date of Birth
		Hospital / NHS Number	NHS Number
Specialist Name			
Hospital and Department Name			

Drug Name	Dose and Frequency	Indication

I have been asked to assume the responsibility / already have responsibility of prescribing the above drug for this patient. I am not / no longer able to do this for the reason(s) indicated below:

☐	Medicine is for hospital only prescribing and is classified as a Red drug on the local formulary
☐	Medicine has been reviewed and rejected for inclusion on the local formulary and is classified as a Grey drug
☐	Medicine is not on the local formulary and suitable formulary options have not yet been tried (please detail below)
☐	The local formulary states that a patient should be stabilised on the medicine before the prescribing is transferred to primary care and this has not occurred
☐	Medicine is for prescribing in primary care only under a shared care agreement (ESCA) and this has not been provided OR the specialist's requirements of the ESCA prior to transferring to primary care have not been met
☐	Medicine is for prescribing in primary care only under a shared care agreement (ESCA) and the practice is not currently accepting shared care agreements
☐	Medicine is part of a hospital-based clinical trial and is not suitable for prescribing in primary care
☐	Medicine is unlicensed and I am not sufficiently familiar with it to accept clinical responsibility
☐	Medicine is off-label and I am not sufficiently familiar with it to accept clinical responsibility
☐	Medicine is not to be prescribed on the NHS (please detail below)
☐	Medicine is commissioned by NHS England / specialised commissioning and is not suitable for prescribing in primary care
☐	It is more suitable for the patient to purchase the drug/ appliance/ nutritional supplement over-the counter
☐	The prescribing request is not in line with NICE/ local/ national guidelines (please detail below)
☐	Medicine is not the most cost-effective option (please detail below)
☐	Extra detail or another reason not listed above:

Requested action for the specialist team:

☐	No further action required. I have prescribed an alternative or advised the patient to purchase the item.
☐	Please recommend a suitable formulary alternative
☐	Please supply further information (e.g., ESCA documentation)
☐	Please continue prescribing this item and arrange appropriate follow-up with the patient as required
☐	Other:

This form should only be completed by a GP at the practice, if you are not the patient's registered GP below please print your name next to your signature.
