Signed: Date: Short date letter merged

We often work in the child's home and this may involve lone working. It is important that you alert us to any risks you are aware of within the family home e.g. dogs, access, personal safety, drug/alcohol use, domestic violence.

Are there any factors we should take into account as part of our risk assessment prior to planning a visit? ☐ YES ☐ NO

If yes, please specify:

Is this child subject to a Child Protection Plan or proceedings? ☐ YES ☐ NO <i>If so, please provide details of professionals involved (i.e. name, address and contact number)</i>	Is this child a Looked After Child (LAC)? ☐ YES ☐ NO <i>If so, please provide details of professionals involved (ie name, address and contact number)</i>
Is there a TAF in place? ☐ YES ☐ NO <i>If yes please give details of keyworker:</i>	Does the child have special needs/special educational needs/a disability/an asylum seeker/English not their first language etc? ☐ YES ☐ NO <i>If yes, please specify:</i>

Has parent/carer given consent for the referral: ☐ YES ☐ NO

<u>Reason for referral.</u> <i>Please give details of any concerns. This should include information about where and when problems arise e.g. home, nursery or other settings and severity. Please also comment on any contributing factors or relevant background information (e.g. specific emotional or behaviour problems, attachment needs, separation anxiety, compliance, development, family background etc)</i>
--

How long has there been a problem/s?
<u>Work already done.</u> <i>Please give an account of what you, or others, have done to help already giving details of progress made, or barriers to success. It will help us here if you also show consideration of why you want CAMHS Early Years involved rather than other services.</i>
<u>Desired Outcomes.</u> <i>Please give details of what would tell you that involvement of the CAMHS Early Years' Service has been successful.</i>
