

Referral to Children's Eating Disorder Team- South Staffordshire

We are required to register the full postcode, GP details and NHS number of all referrals. Please include this information in your referral.

(Please consult referral guide for more information regarding suspected Eating Disorders)

Please complete this form and email to camhseatingdisorders@mpft.nhs.uk

! It is important that you fill in all areas of this form to allow appropriate and safe triage and assessment, and to avoid delays in processing. Unfortunately, we may not be able to accept incomplete referrals, and this may cause significant delay to the triaging process. **!**

As Eating Disorders are serious mental health problems with significant medical risk, please note that the GP remains responsible for medical care and monitoring of the patient until patient is linked in with this service. Please refer to the Medical Emergencies in Eating Disorders Guidelines (MEED).

FAILURE TO INCLUDE ALL PHYSICAL HEALTH OBSERVATIONS WILL RESULT IN THE FORM BEING RETURNED FOR COMPLETION.
