CHILD AND ADOLESCENT MENTAL HEALTH SERVICES REFERRAL FORM

We welcome referrals on this form as it ensures we have all the relevant information from you. We ask that the information in the form is provided by a professional who has met with the child and family. In order to gain the best understanding of the needs of the child and family, it may be that this form is completed by one or more professionals or there is liaison between the network. It is ideal for a professional who knows the child/family best to complete this form. This could be a school teacher, SENCO or a health or social care professional.

Please note MPFT provide a range of services for children and families and will always try and ensure an integrated offer. We may therefore work with other teams within the Trust to ensure the most appropriate care. MPFT also work in partnership with other Agencies, including Action for Children who provide Emotional Health and Wellbeing services. We will assume that there is consent to share this referral with the wider network unless you explicitly opt out of this in the consent section below.
