#### Fluid Texture

|                                                                                                                 |                                  |                                                       |                                                     |                                                         |                                                        |                                |
|-----------------------------------------------------------------------------------------------------------------|----------------------------------|-------------------------------------------------------|-----------------------------------------------------|---------------------------------------------------------|--------------------------------------------------------|--------------------------------|
| 8. Has the person PREVIOUSLY been given diet/fluid texture recommendations by Speech & Language Therapy (SALT)? | Thin<br><input type="checkbox"/> | Level 1<br>Slightly thick<br><input type="checkbox"/> | Level 2<br>Mildly thick<br><input type="checkbox"/> | Level 3<br>Moderately thick<br><input type="checkbox"/> | Level 4<br>Extremely thick<br><input type="checkbox"/> | No<br><input type="checkbox"/> |
|-----------------------------------------------------------------------------------------------------------------|----------------------------------|-------------------------------------------------------|-----------------------------------------------------|---------------------------------------------------------|--------------------------------------------------------|--------------------------------|

9. What food/fluids are a problem for the patient? Please specify

10. When taking the problem textures, what of the following has the patient experienced?

| Observation                                          | food                         |                             | frequency      | fluids                       |                             | frequency      |
|------------------------------------------------------|------------------------------|-----------------------------|----------------|------------------------------|-----------------------------|----------------|
| Throat clearing                                      | Yes <input type="checkbox"/> | No <input type="checkbox"/> | Choose an item | Yes <input type="checkbox"/> | No <input type="checkbox"/> | Choose an item |
| Coughing episodes                                    | Yes <input type="checkbox"/> | No <input type="checkbox"/> | Choose an item | Yes <input type="checkbox"/> | No <input type="checkbox"/> | Choose an item |
| Explosive coughing                                   | Yes <input type="checkbox"/> | No <input type="checkbox"/> | Choose an item | Yes <input type="checkbox"/> | No <input type="checkbox"/> | Choose an item |
| Choking (gagging, difficulty coughing and breathing) | Yes <input type="checkbox"/> | No <input type="checkbox"/> | Choose an item | Yes <input type="checkbox"/> | No <input type="checkbox"/> | Choose an item |
| Other (please specify)                               |                              |                             |                |                              |                             |                |

11. Have you made any modification to the patients' diet and has this helped? Please specify

12. What foods/fluids are the patient taking successfully?

Allergies

Medication

Problems

### ADULT COMMUNITY SPEECH AND LANGUAGE THERAPY REFERRAL FORM GUIDANCE

PLEASE RETURN TO: Speech and Language Therapy Service via:

Email: sltadultsouth@mpft.nhs.uk

Post: Adult SALT, Suites 105-6, High Green Court, Newhall Street, Cannock, Staffordshire. WS11 1GR Tel: 01543 431545

Name: Given Name Surname NHS No: NHS Number

Page 2 of 3

All referrals must be on the official form.

All sections of page 1 of the form must be completed - **incomplete forms will be returned.**

Page 2 – please complete relevant sections e.g. communication/dysphagia

If a section is not applicable please state this on the form.

### Demographics:

Please complete all boxes to provide details.

### Communication:

- Please specify the patient's communication difficulty:
  - Clarity of speech** – the patients speech is unclear
  - Understanding instructions** – the patient struggles to follow written or verbal instructions
  - Finding words/constructing sentences** – words are jumbled up or missing from their sentences
  - Stammer** – the patients speech is not fluent; they may experience repetitions e.g. p,p,p,p,please or prolongations of sounds in words e.g. pleeeeeeeeeeease
  - Voice** – they may have lost their voice completely or their voice tone/quality may be impaired. Please ensure you attach the letter from the ENT Consultant, the consultation needs to have been completed in the last 6 months. We are currently accepting Post-Covid Voice referrals prior to ENT Consultation being completed.
  - Writing** has deteriorated due to a medical condition
  - Reading** has deteriorated due to a medical condition
- Please comment on the impact of their communication difficulty on the patient:
  - Unable to communicate by any means
  - Able to communicate in a limited way
  - Able to communicate but experiencing difficulties
  - The patients severity of frustration or distress – severe, some, slight, none
- Please specify if the patient has a communication aid

### Dysphagia:

Please note the terminology for diet/texture changed in 2019 [www.IDDSI.org](http://www.IDDSI.org)

#### FOOD

| IDDSI terminology          | Level 3: Liquidised       | Level 4: Pureed            | Level 5: Minced & Moist   | Level 6: Soft & Bite-sized                       | Level 7: Easy To Chew                        | Level 7: Regular |
|----------------------------|---------------------------|----------------------------|---------------------------|--------------------------------------------------|----------------------------------------------|------------------|
| <i>Previously known as</i> | <i>Thin Puree (Cat B)</i> | <i>Thick Puree (Cat C)</i> | <i>Pre-mashed (Cat D)</i> | <i>Fork Mashable (Bread not allowed) (Cat E)</i> | <i>Fork Mashable (Bread allowed) (Cat E)</i> | <i>Normal</i>    |

#### FLUIDS

| IDDSI terminology          | Level 0: Thin | Level 1: Slightly thick | Level 2: Mildly thick | Level 3: Moderately thick | Level 4: Extremely thick |
|----------------------------|---------------|-------------------------|-----------------------|---------------------------|--------------------------|
| <i>Previously known as</i> | <i>Normal</i> | <i>Naturally thick</i>  | <i>Syrup thick</i>    | <i>Custard thick</i>      | <i>Pudding thick</i>     |
