

Type 2 Structured Education Referral Pathway for Cannock and Seisdon

General Practice Identify Patient

- The patient is newly diagnosed with type 2 diabetes (HbA1c >6.5%)
- The patient has established diabetes – greater than 12 months and requires annual update

Encourage patient to attend

Explain that **DESMOND** is an essential part of their treatment; structured education is a national recommendation, and that DESMOND is delivered locally in groups

If the patient accepts referral

Complete the structured education referral form including most recent biomedical data. Email to diabetes-south@mpft.nhs.uk

Issue patient with a 'Meet **DESMOND**' leaflet and explain to patient what will happen next

If the patient does not accept referral

General Practice to discuss "**My Diabetes**" introductory education session and Issue patient with **MY Diabetes** Service leaflet.

If the patient accepts referral

Complete the structured education referral form including most recent biomedical data. Email to diabetes-south@mpft.nhs.uk

What happens next?

Referral Triaged by Diabetes Education Project Support Worker

Opt in letter sent to person with diabetes by Diabetes Administrator

Person with Diabetes to Contact Diabetes Administrator within 4 weeks to book the next available course at a convenient location.

Appointment Confirmed

The patient will receive:

- Confirmation Letter
- 'Preparing for DESMOND' booklet

It is vital that the patient reads and completes the information required and brings it along with them to the course.

Patient attends DESMOND

The Educator will record the patient's attendance and allocate the patient a DESMOND handbook. Referrer to receive letter confirming patient's attendance asking the practice to record this event using a unique code.

Patient DNA DESMOND

Referrer is informed of the non –attendance. Patient is then discharged back to the care of their GP who can re-refer.

Type 2 Structured Education Referral Form

*Please select one of the following ->		DESMOND YES ☐ NO ☐		MY DIABETES YES ☐ NO ☐	
PATIENT DETAILS					
NHS Number	NHS Number
