

CHILDREN AND YOUNG PEOPLE AUTISM SERVICE

REFERRAL FORM

All referrals should be made using this referral form, completed by a professional who has met with the child and family.

In order that we are in the best position to understand a child or young person's needs it may be that this form is completed by one or more professionals supported by parents/carers or there is liaison between the networks or people involved.

It is always ideal for the professional who knows the family best to complete the referral form.
