IMPORTANT INFORMATION - PLEASE READ BEFORE COMPLETING REFERRAL FORM

What is the referral criteria for the service?

Two or more areas of developmental delay or identified conditions with an impact on neurodevelopment.

Please do not refer if this is an acute issue. Referrals may not be picked up immediately for triage. In this case please consider alternative service provision in Acute Paediatrics or A & E

Referrals for Autism:

Autism assessment or concerns related to possible difficulties associated with Autism:

- **OVER** age of 5 years: referral to be sent using **Neurodevelopmental Referral Form** (which can also be found on our website) to: CYP Autism Service: [Children and Young People's Autism Service :: Midlands Partnership University NHS Foundation Trust \(mpft.nhs.uk\)](https://www.mpft.nhs.uk/services/children-and-young-peoples-autism-service)
- **UNDER** the age of 5 years, please complete the Community Paediatrics e-referral form and attached school report.

Referrals for ADHD:

General ADHD assessments for children **Over the age of 6**: please complete **Neurodevelopmental Referral Form**, which can also be found on our website.

Please note, we do not assess children **Under the age of 6** for ADHD.

EXCLUSION CRITERIA:

- General medical conditions: for example asthma, eczema, joint pains or headaches
- Autism assessments or diagnosis over the age of 5
- Behavioural issues (this should initially be referred to Family Support Services).
- Emotional Health and Wellbeing support (this is provided by Action 4 Children)
- Tics and Tourette's syndrome
- Dyslexia and specific learning difficulties (this should be referred to school/Educational Psychologists for assessment)
- Obesity and growth problems (please contact your GP for support with this)
- Constipation (GP or Constipation clinic provided by Community Children's Nurses)
- Sleep Issues
