1a	
1b	
1c	
1d	
2	

If this case has been referred to the Coroner please state why and the outcome?

NOTE –

If you feel the case needs referral to the coroner then please directly refer to HMC first and await their instructions. Please only refer to the ME office if you feel a coroners referral is not needed or if you are unsure.

If referring to the ME office then please kindly complete the MCCD with the cause of death as above if possible and submit this along with this referral form.

Please send completed referral form to –
