

Standard Care Home contact details

Please use these details when registering care home residents and when patients move into a care home. If patients are moving into a care home ensure they are coded as 'Lives in a care home', 'Lives in a residential home' or 'Lives in a nursing home' and have a Residential Institute code.

Once these addresses have been inputted on a patient, please do not change them even when the PDS is red. If you notice an address has been changed, please change it back.
